NOTES:

The Houston Chapter's fiscal year is from July 1 to June 30 of the following year. Annual memberships are also effective from July 1 to June 30 of the following year.

1. Desk & Derrick Clubs and Society for Professional Women in Petroleum: Amounts shown include contributions for assisting with registration at the API Golf Tournament, contributions to their annual scholarship funds, and funds they received for sponsoring and staffing "Par 3" Money Holes (40 % of funds collected) at the October 2009 Golf tournament, \$ 730 and \$760 respectively.
2. The Offshore Energy Center: \$12 ,000 was contributed during 1994-95 and 1995-96 for "startup funds". \$ 100,000 was pledged to the Offshore Energy Center during 1996-97 as an Underwriter Founding Organization and \$90,000 was contributed towards fulfilling the \$ 100,000 pledge prior to 2000-01.
The Offshore Energy Center's Educational Excellence Program: \$ 5,000 was contributed prior to 2000-01, \$ 10,000 during 2000-01, \$ 3,000 during 2002-03, and \$ 5,000 during 2003-04.
Audio self guided tour system: \$ 60,000 was pledged to install the system. Contributions of \$ 12,000, \$18,000, \$ 25,000 & \$ 5,000 were made in 2005, 2006, 2007 & 2008 respectively.
An additional \$10,197, consisting of API logo wrist straps for the audio devices, and \$ 10,000 for repair of Hurricane "Ike" related damage was contributed in 2008-2009.
Contributions of \$ 10,000 each were made during the 2009-10 and 2010-11 fiscal years to assist with improvements and enhancements to the museum.
3. Houston Independent School District's High School for the Engineering Professions: \$ 10,000 contributed in 2010 -2011 was for college scholarships for ten (10) graduating Senior class students. \$ 511 was for a field trip in October 2010 for students to the Offshore Energy Center in Galveston.
4. The Craft & Hawkins Department of Petroleum Engineering at Louisiana State University : Non-endowed contributions for student scholarships
5. National Energy Education Development (NEED) : Sponsored twelve (12) school teachers attendance at the NEED conference in Galveston in July 2002, 2003, 2004, & 2008. The 2005, 2006, 2007 and 2009 conferences were moved to other cities.
6. Honorarium contributions: \$ 100.00 contibutions to various charitable organizations selected by guest speakers, in lieu of mementos previously given to those speakers.
7. Texas Parks & Wildlife Commission: For providing equipment & support personnel for the Sporting Clays Tournaments held at "Baroid on the Brazos".
8. Boy Scouts of America: Contributions made for cleanup after the 1999 Sporting Clays Tournament at "Baroid on the Brazos", and for 2003 and 2007 Scout projects.
9. The University of Texas, M. D. Anderson Cancer Center: Established a dedicated fund for mesothelioma cancer research in honor of a former API Board member and the wife of a former Chapter Chairman who both died from that disease. An additional \$250 was contributed for breast cancer reseach as a memorial for another former Chapter Chairman's wife.
10. Texas Tech University Capital Fund for construction of new facilities for the Petroleum Engineering Department. Includes new classroom and laboratory buildings.
